One-off Asset Write-off: An IT project has been started at the end of 2012 in order to standardize all core insurance systems into a single application and integrate this core system with the peripheral systems. Although the project still continues, it has been decided to discontinue the development of the new core insurance application. Instead, current core systems will be modernized with a more agile methodology. Total capitalized costs related with this project was 48.7 Mtl, and TRY 36.3 Mtl of this cost (around 75%) has been written off in accordance with the aforementioned decision.

# Flexible Dividend Policy Focused on Growth

#### **Dividend Policy**

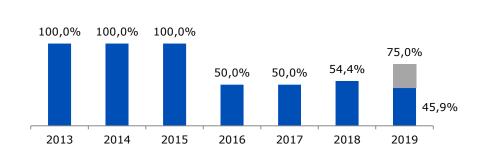

- Objective set amongst core shareholders to aim at distributing ~50% of AvivaSA's Turkish GAAP-based distributable profit
- Current focus however is on increasing the scale of operations and therefore near-term priority is to reinvest in the business and create long term shareholder value

# Proven track record of embedded value growth

## **Growth despite headwinds**

#### MCEV (mTL)

#### **Comments**

- Value of in-force (VIF) is the stock of discounted value of future profits, contributing 75% of the value in the MCEV balance sheet whereas the remaining 25% is composed of the net assets, ie net worth
- No allowance is made for future new business expected to be written after 2019
- Pensions VIF is slightly lower year-on-year due to adjustments to assumptions and experience variations
- Life protection has continued its growth momentum, reaching almost a 39% share of the VIF
- AvivaSA is closely monitoring its persistency experience across all segments
- Net worth is up by 40% year-on-year after allowing for the dividend payment of 100m TL, demonstrating the resilient capital generation of the business

# Guidance

## **BoD Decisions Regarding 2020 Guidance**

- ➤ Due to the uncertainties stemming from the COVID-19 (Coronavirus) epidemic in the global economy and indirectly in the life and pension sector, it became necessary to update our targets and expectations for 2020, which we announced on 07.02.2020.
- ➤ Board of Directors decided on 06.05.2020 that;
  - Considering the ongoing uncertainties, the previously announced targets and expectations are withdrawn, in order not to mislead the market and our investors.
  - We will follow the economic activities in the market and announce the updated targets and expectations once the uncertain environment is concluded.
